To enter:

Exhibitors may submit up to 3 entries per class.

For classes 1-3 please send 2 photos per entry, 1 of the whole stem and another of a close up of a bloom on the stem. That way the judges can do a similar job to that at one of our normal iris shows.

Give the name of the varieties you are entering unless they are seedlings.

Do not use photoshop.

Photos must have been taken during the 2021 flowering season and not have been entered in our previous virtual or live shows.

Send your entries to info@britishirissociety.org.uk by the 31st December 2021

Entries will be numbered so that they are anonymous when they are judged.

BIS judges will be asked to make their choices.

Members are encouraged to view entries in the member's area of the website and may vote for their favourite by e-mailing kentiris@aol.com with name and number of exhibits.

We would like to use any photos submitted for publicity purposes, e.g. *Newsletter*, *Yearbook* or Facebook. Please let us know if you are not happy with that.
